

1 something that one judge can figure out. I don't think
2 we need to waste 25 citizens of Collin County's time
3 today. It's a DWI case. You can find the guy guilty or
4 not guilty. I don't see the need to have a jury trial
5 in this case, Judge.

6 THE COURT: Well, the State --

7 [REDACTED] We request a jury.

8 MR. BURLESON: Any reason the State wants to
9 request -- any reason?

10 THE COURT: I don't think that they have a
11 have to tell us that.

12 [REDACTED]: We have a right to a jury,
13 Judge.

14 THE COURT: Yeah.

15 MR. BURLESON: Thank you, Judge.

16 THE COURT: Does the defendant want the
17 record of voir dire?

18 MR. BURLESON: May I ask who's picking?

19 [REDACTED]: I will be.

20 MR. BURLESON: No.
